### **What else do I need to bring for the Women's Retreat sessions?**

You can bring a yoga mat, cushion or bolster if you have them, as we will be sitting on the floor in the Women's Circle room. There are chairs for those that prefer to sit in a chair. Do not be concerned if you do not have these items as there are blankets and some bolsters in the room.

**Accommodation:** There are small bedrooms and each room generally has two single beds in each. You will need to bring your own linen and bedding.

The rooms are minimalist and the beds are comfortable. As the rooms are very small you may wish to bring earplugs in case your roommate is restless.

### **What happens at the Retreat?**

The Retreat sessions are held in Circle. Circle is an age old feminine way of meeting in which each and every person is held as equal. We will create a talking stick at the Circle so that the person speaking will hold the stick. This helps us all to remember to listen to the person speaking.

Each session will have a theme and we will experience discussion, activities as individuals or in small groups to further explore the topics. There will be some possibly be ceremony and healing rituals included.

Tree of Life Of Woman Retreats are based on a simple structure and the intention of the Retreat is for each and every woman to have time to rest whilst also having an experience of being nurtured, held in Circle and also honoured as a woman of value with wisdom to share.

Other information - closer to the date information about Origins Centre will be sent to you by email.

**Thanks for your support and I look forward to meeting with you on Retreat, please ask.**
